

**Rae Anne Beaudry**

**Senior Vice President  
Regional Employee Benefits Practice Group Leader  
USI Insurance Services  
Brookfield, Wisconsin**

Rae Anne Beaudry is a problem solver who explains highly complex material in simple and authentic terms to enable clients to make the best decisions to meet their organizational goals and objectives. She develops relationships with insurance carriers to represent her clients as part of their insurance team. Beaudry is an experienced employee benefits consultant, negotiator and public spokesperson with a primary focus on topics such as health care cost containment, medical plan basics and ancillary lines. She has been in the insurance industry since 1987 and joined USI as a member of their leadership team in 2020. Previously, Beaudry was a shareholder and officer accountable for corporate training on employee benefits, customer service, retention, renewal and new business development. She has served on several nonprofit boards, such as United Cerebral Palsy of Southeastern Wisconsin and charitable organization fundraising committees, such as March of Dimes, Milwaukee Chapter. Beaudry is a graduate of Marquette University.
