

Eric Cionka, M.B.A., CPhT, CSFS

**Senior Pharmacy Consultant
Foster & Foster Consulting Actuaries, Inc.
Detroit, Michigan**

Eric joined Foster & Foster in February 2022. His experience in the health care/pharmaceutical industry spans over two decades. He worked in retail pharmacy for nine years as a pharmacy tech, in the PBM industry for a total of 14 years (operations and sales) and as an employee benefits consultant. He has proven success in reducing prescription drug costs for clients of all sizes and in a variety of industries. Eric has created an array of customized programs to meet different types of clients' unique drug mixes. He applies logic and common sense in seeking practical, workable solutions to help clients maintain or decrease their prescription drug spending. Eric has extensive knowledge of specialty drug cost solutions. Eric obtained his master of business administration and bachelor of science in information technology degrees from Lawrence Technological University.
