

**Darrin E. Golden**

**Executive Director  
NECA/IBEW Family Medical Care Plan  
Rockville, Maryland**

Darrin E. Golden serves as the executive director of the NECA/IBEW Family Medical Care Plan (FCMP). The FCMP is a national Taft-Hartley health and welfare plan that covers approximately 40,000 electrical workers and their families. Darrin's experience and career spans over 30 years in the electrical industry, he started in 1991 as an electrical apprentice, where he served a five-year apprenticeship and earned his classification as a journeyman wireman. In addition to his professional credentials, he holds a master's degree in public administration and a bachelor of arts degree with a double major in labor history and business administration. In addition to his academic accomplishments, he is a proud veteran of the United States Navy. He served honorably at home and abroad as a naval aircrewman in the U.S. Navy and U.S. Naval Reserves for eight years. Over a 33-year career with the IBEW, Darrin has served the IBEW locally and nationally in various capacities as a local union officer, trustee, and staff member.
