

Michael J. Noble Jr., EA, FCA, FSA, MAAA

**Principal Consulting Actuary
Cheiron, Inc.
Chicago, Illinois**

Michael Noble has nearly two decades of experience advising multi-employer, public and single-employer pension plans. Mike has worked with several boards of trustees on special projects including analyzing the impact of alternative plan designs on member benefits and funding requirements and auditing the long-term projections under various economic scenarios and plan designs for major state retirement systems. He has also helped multiemployer plans apply for Special Financial Assistance, implement Rehabilitation Plans and Funding Improvement Plans, and the merge of plans. He has also worked on plan terminations for both multiemployer and single-employer plans. He joined Cheiron in November 2007. Mike is a Fellow of the Society of Actuaries, the highest professional credential, an Enrolled Actuary under ERISA, a Member of the American Academy of Actuaries, and a Fellow of the Conference of Consulting Actuaries.
