

Suzanne Taranto, EA, MAAA

Principal and Consulting Actuary

Milliman Inc.

New York, New York

Suzanne Taranto is a principal and consulting actuary with the New York region of Milliman. She joined the firm in 2005 and leads the New York Region Employer Health Practice. Taranto has more than 30 years of employee benefits consulting experience. She provides advice in the design and delivery of health and welfare plans to both corporate and union plans. Taranto specializes in financial analysis and benchmarking of health plans. She has negotiated a number of stand-alone retiree medical VEBA trusts and manages the ongoing finances, design and delivery of benefits for these trusts. Taranto has significant health care bargaining and design experience, having led a number of complex health care design negotiations on behalf of Taft-Hartley plans. She has done extensive analysis on the impact of the Affordable Care Act on employer-sponsored plans. Taranto is an enrolled actuary (EA) and a member of the American Academy of Actuaries (MAAA).
