

**Tina Williams**

**Executive Director**

**Charlotte Electrical Joint Apprenticeship Training Committee  
Charlotte, North Carolina**

Tina Williams is the executive director at the Charlotte Electrical JATC, which is sponsored by IBEW Local 379 and the Atlantic Coast Chapter of the National Electrical Contractors Association (ACC NECA), and has been with the organization since 2014. As executive director, she is responsible for the operation and management of apprenticeship, preapprenticeship and construction wireman/construction electrician (CW/CE) training and advancement programs. Williams oversees the training with an administrative assistant, a full-time instructor and many part-time instructors. She is a change management leader in the electrical apprenticeship industry, and the program has tripled in size under her direction. Williams gives credit of the growth to her committee who gives her the leeway for creative recruiting, promotion of the tuition-free credible training programs, excellent curriculum, community involvement, implementing best practices and 20+ years of strategic planning and management experience. She provides training to over 1,000 union electrical workers in North and South Carolina as well as northeast Georgia. The training offered under Williams' direction is an educational program that is sought after not only by individuals in the Charlotte area but throughout the country. She is a member of the Electrical Training ALLIANCE Craft Certification Committee, steering the continued growth and development of the craft certification process for the electrical industry. Williams has been a member of the National Electrical Training Directors Association (NETDA) for six years and currently holds a seat on the executive board as treasurer. She is a member of the National Association of Women in Construction (NAWIC), Charlotte Chapter, and is PD&E Chair. Williams earned her bachelor's degree in business administration from the University of Phoenix
