

ISCEBS—A Community of Benefits Professionals

ISCEBS—Career-Long Affiliation and Education

The International Society of Certified Employee Benefit Specialists (ISCEBS) is an organization exclusively for CEBS® students and graduates, with nearly 3,000 members. This is a diverse community of benefits professionals with members in every industry, profession and region that is impacted by benefits. Society membership is for all benefits backgrounds! The ongoing education opportunities afforded to members is second to none.

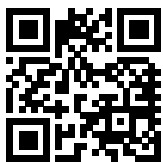

Membership benefits include:

- **ISCEBSLink**—A private, online community where you can ask questions, get insights and share best practices with other members
- **Webcasts**—Free access to timely, unbiased updates on emerging trends and compliance issues
- **Benefits Quarterly magazine**—Written by recognized experts, each issue delves into a particular topic or trend, covering it from multiple perspectives.
- **NewsBriefs**—Our quarterly print newsletter featuring International Society and industry news
- **Today's Headlines**—A daily dose of the top benefits news stories, carefully compiled from thousands of sources
- **Unlimited research**—Our information specialists will provide complimentary, personalized research for you, using reputable, vetted sources of information.
- **Discounted registration** at the ISCEBS Employee Benefits Symposium.

Join ISCEBS today!

Membership starts immediately.

Find a Local Chapter!

With more than 40 chapters in the United States and Canada, the International Society is likely to have a chapter near you. Chapters offer a variety of regional education and social events throughout the year. Anyone may attend chapter events.
